Re: 12-Civ-8812 Varughese, L. v. Mt. Sinai Medical Center et al.

Dear Magistrate Francis:

I am writing to inquire whether or not the defendants should produce documents identified during deposition of Elizabeth Morency and possibly, from Adrienne Jordan's upcoming deposition? Please clarify this issue given Your Honor's April 10, 2014 decision.

Sincerely,

A handwritten signature in black ink that reads "Leena Varughese". The signature is fluid and cursive, with the first name "Leena" and last name "Varughese" clearly distinguishable.
